

## Levittown Public Schools Tutorial

### PowerSchool Parent Portal - Portal Overview

Version: 1.1  
Revised: 8/23/2012

#### The Navigation Bar:

The navigation bar appears at the top of every PowerSchool Parent Portal page. It contains links to other Parent Portal pages.

#### All pages in the Parent Portal contain the following:

- Navigation Bar: Move to other Parent Portal pages
- Student Selection Buttons: Move to other students linked to your account
- Print Page, Help and Sign Out icons
- **PowerSchool Button:** Clicking the PowerSchool Logo will return you to the Parent Portal start page

#### • Main Menu:

- **Grades and Attendance:** View grades and attendance by scheduled classes
- **Report Card History:** View current and past years grades
- **Progress Report History:** View current and past years progress reports
- **Schedule:** View students schedule for the entire year
- **Course Requests:** View class selection for the next school year (available February to June)

- **Course Enrollments:** View class assignments for the next school year (available June to August)
- **ListServ:** ListServ is an e-mail based communication tool used to keep parents and faculty up-to-date on important district news. Click the link here to sign up.
- **MySchoolBucks:** View lunch balance and fee transaction information; make online prepayments.
- **Access Logs:** View date, time and duration for each Parent/Guardian log in/
- **Account Preferences:** Change name, email address, username and password. Add an additional student(s) to your account.
